

Broad Brim Vented Hard Hat – Ratchet

Available in 7 Standard Colours

Also available in Pink & Fluro Orange (MOQ apply)

NEW, innovative designed broad brim hard hat. This new design includes greater protection from the elements including a 60% increase in brim area and 30% more protection, compared to current broad brim designs and 300% more brim area than a standard peak cap. The new Broad Brim hard hat has a unique removable access tab to allow for cap attachable helmet ear muffs. These tabs can be parked in the rear of the hard hat to prevent loss.

Features & Benefits

- Certified Australian design & manufacture for trusted & reliable head protection
- Type 1 high impact rated ABS is extra strong and robust yet light-weight, ideal for all working conditions.
- Unique 360° Broad Brim design provides maximum sun and rain protection
- The improved modern design of the attachment slot allows the Broad Brim helmet to accept most 25mm and 30mm attachments in the marketplace (cap attachable earmuffs).
- Patented slide and store insert system for Maxisafe cap mount earmuff attachment
- Ratchet wheel for one handed fit adjustment
- Premium 6 point terylene harness ensures comfort and cushioning
- Logo printing available in multiple colours and positions (MOQ apply).
- Certified to Australian Standards AS/NZS 1801
